**AUSTRALIA**

MAKING AUSTRALIA'S WATER GO FURTHER

## National Dealer Conference **2010**

## National Dealer Conference **2010**

Venue: **HAWAII, USA**

Period: **2nd - 10th October, 2010**

### To attend you must:

- Be a “substantial” Pumpmaster / Davydick product dealer and,
- Qualify via one of the following:
  - o Accumulate sufficient points via purchases for an all expenses paid\* trip including air fares, accommodation, meals etc.
  - o Win one of three free trips.
  - o Pay your own travel expenses.

To participate read and complete the following entry form with conditions.

\* All expenses paid does not include some personal expenses, or costs outside of the designated conference activities.

## National Dealer Conference 2010

Attendance is open to all “substantial” Pumpmaster / Davydick product dealers. “Substantial” dealers are those who purchase product on a regular basis and would average yearly purchases of \$25,000 PA or higher.

The conference venue will be held on one of the Hawaiian Islands. It will comprise of regular daily product / marketing meetings with free time periods.

Cost to dealers wishing to attend is \$7890 including GST. **However**, any substantial product dealer can qualify to attend at **Pumpmaster’s expense** by either of the following:

### 1. Accumulating Points.

- All dealers will be awarded ONE POINT for every \$1.00 of product purchased over and above the total amount spent in the 2008/2009 financial year. (Although the competition officially runs from 1-10-09 to 30-06-10, ALL purchases beginning 1-7-09 are taken into account).
- To qualify for the trip at Pumpmaster’s expense, points of 25,000 must be accumulated.
- The “\$1.00 extra = One point” applies to ALL Pumpmaster/Davydick product. This includes:
  - Above ground pumps
  - Pool pumps
  - Borehole pumps and motors
  - Pressure tanks
  - Drainer pumps
  - Engine drive pumps
  - Pressure washers
  - Accessories
  - Spare parts.
  - Hansen fittings
  - Hansen Valves
  - Jobe Valves
  - RX valves
  - All Davydick water valves
  - All Davydick irrigation fittings and accessories
  - Alprene rural and metric fittings

#### Exclusions:

- Borehole motors when not purchased as a complete pump/motor package.
- Some unusual and/or specially quoted items may be excluded.  
This exclusion will be listed on the quote.
- Freight and services.

## National Dealer Conference 2010

### 2. Free Trips.

- A “draw” will be held for participants who exceed their 2008/2009 purchases, but do not reach the 25,000 point increase level.
- For every 1,000 point increase achieved, a dealer will be awarded one entry in the “draw”.
- Three free trips will be drawn with a limit of one free trip per dealer.
- The competition closes on June 30th 2010.  
The only purchases that will qualify for either “points” or “draw” are:
  - o Orders placed and invoiced by 30th June 2010.
  - o Product ordered but not supplied/invoiced due to non-availability and placed on firm backorder.
  - o Purchases where payment is received no later than 30 days after the end of the invoiced month.
- Departure and return is from Sydney Airport. All participants are responsible for travel costs to/from Sydney and travel insurance.
- Pumpmaster reserves the right to make alternative dates and/or destinations where circumstances arise beyond their control.
- Draws for “free” trips will be held at the Pumpmaster warehouse in Bayswater, Melbourne at date/time to be advised. Participants are welcome to attend.

Entry to the competition is free to any qualifying Pumpmaster/Davydick product dealer.
